

Good day. We are in unprecedented times, the likes of which have not been seen before, and that have been compared to war. This war is with an unseen enemy and it may lurk anywhere.

I thank all Uniformed Services and those that support them for their already heroic efforts. I hope that as I write this today, that no further heroics will be needed. I fear this will not be the case.

I am formally cancelling the Uniformed Services Run for 2020. I ask that those that have been training for the race continue to do so safely and post your individual successes on June 16, 2020 on platforms such as Strava, Instagram, and Facebook and tag a Service Member.

We will return in 2021 with our Uniformed Services members fully refreshed and ready to compete for the Battle of the Badges.

Our current Battle champion, the Royal Newfoundland Constabulary, has chosen Wounded Warriors Canada as their charity of choice. Please support them through these trying times with donations.

Stay well, wash your hands, and train safely, my friends and competitors!
